## EXPERIENCE

---

### SPARTAN ROBOTICS TEAM CAPTAIN

As of September 2018 -

As a captain of Spartan Robotics, I've acquired the skills I need to manage a team of hardworking individuals to accomplish a common goal. This position has included teaching, looking for sponsors, and working to create a positive environment for learning- especially from our mistakes.

### VARIOUS COMMUNITY SERVICE

As of August 2015

As a member of my school's community, I've officially logged over 98 hours of community service. This mainly has come from pool leading at community centres, helping out with school events, and fundraising for our robotics team.

---

## EDUCATION

---

### ONTARIO SECONDARY SCHOOL DEGREE

GRADUATING JUNE 2020

- 90% average
- Relevant courses: AP Functions (MRC3UA), AP English (ENG3UA), Introduction to Computer Science (ICS4U)
